GiffordsPAC Stands With Cynthia

NC-09 Endorsement Alert! (Team Wallace) [info@cynthiawallaceforcongress.com]

Great news, Steve.

Giffords PAC, one of the largest organizations around gun safety in the country, has endorsed Cynthia for Congress. [We're determined to build on our momentum from this and our latest EMILY's List endorsement, and need to continue this work -- together. Can you chip in \\$25 or more?](#)

Gifford's support represents a powerful vote of confidence in our ability to win in November. Growing up in rural southern Georgia, she was taught the values of gun responsibility, and knows that we can and must do better for everyone's safety. 90% of Americans support common-sense gun safety measures, and Cynthia is committed to representing the people.

Having GiffordsPAC's support is exactly what we need heading into the November election. The NRA just gave Dan Bishop an "A" rating, and we know that they don't want a rational candidate like Cynthia flipping this seat. They'll flood Bishop with campaign contributions to stop Congress from saving people's lives.

Our people-powered campaign is not afraid of the NRA, and with GiffordsPAC's support, we need to prove that we can take on their dark money in this race. [Join GiffordsPAC and endorse Cynthia with a \\$25 donation today ahead of our](#)
