# CYNTHIA WALLACE

FOR CONGRESS

**Trump is in Charlotte TODAY.**

**We are just 40 days away from November 3, and all eyes are on North Carolina.**

**Our Goal: Raise \$4,000 before our final FEC deadline.**

[Help Cynthia keep Trump out of North Carolina and chip in right now>>](#)

{FirstName or 'Team'}},

Trump is coming to North Carolina again for the fifth time over the past month. Today's visit to Charlotte comes with a new tone after **Trump blatantly stated that we should "get rid of the ballots", and he could not guarantee a peaceful transition of power if he loses.**

But he's hoping that it won't come to that. *FiveThirtyEight* has called this state a "toss-up" for months. That's why Trump's putting all of his attention in North Carolina as a key to hold on to the White House.

We can move the needle for North Carolina and kick Trump to the curb along with his biggest cheerleader, Dan Bishop, by flipping NC-09 blue. **We're 40 days out from Election Day, and we need your help to do it. [We need to raise \\$4,000 before our final FEC deadline of the cycle. Steve, can you chip in \\$9 or whatever you can afford to flip NC-09 blue and reach our goal before midnight September 30?](#)**

All eyes will be on North Carolina for the next 40 days, and we know anything can happen. Between the shady seat stealing back in 2018 to Trump's threats today, we have to be ready for whatever comes next.

We have a real opportunity to flip this district and turn North Carolina blue. But we need to reach every voter from Robeson to Mecklenburg, so we can keep Trump's extremism out of our state and send Cynthia to Congress -- and we can't do it without your support.

**[It's time for new leadership in NC-09. Chip in \\$9 or more right now, so we have what it takes to flip this seat and meet our \\$4,000 goal before our most-critical FEC deadline.](#)**

Thanks for your help,

Team Wallace
