Steve,

I wanted to make sure you saw that Giffords PAC has endorsed Cynthia Wallace, because she is a proven gun safety leader who **must** flip NC-09 blue in November. Growing up in rural southern Georgia, she was taught the values of gun responsibility, and knows that we can and must do better for everyone's safety.

We need fearless leaders in Congress who will stand up for what's right. We need leaders who have the courage to fight back against special interests to serve their communities. We need leadership in Congress who puts people's safety first. That's why we're proud to support Cynthia. With your help, when we send her to Congress this year, I know there will be a tireless ally in our fight to save lives from gun violence.

So I have one question for you: [Can you pitch in \\$5 right now to help Cynthia flip this seat?](#)

Donald Trump and the gun lobbyists are doing everything they can to keep Cynthia's opponent in office. He's proud of his A-rating from the NRA and has always stood in the way of people's safety while he was in the NC General Assembly.

Cynthia will be an independent voice in Congress. She will stand up for common-sense gun legislation so that North Carolinians know they have representation that puts their safety over special interest dollars. [Will you make a \\$5 donation to Cynthia's campaign today? We need leaders like her fighting for us in Congress to pass legislation that will save lives.](#)

Gabby Giffords
