Steve,

Here's the current countdown:

- 38 days away from Election Day
- 19 days until Early Voting starts
- 4 days until our last FEC deadline!

We have no time to waste. Every day is vital in getting Cynthia's message across to every single voter. This November we need to send Dan Bishop packing. But to make sure we're reaching our key swing voters, we can't fall behind on this end-of-quarter goal. We're \$3,923 short of where we need to be. [Can you help us close our \\$3,923 funding gap, and get our message out far and wide by chipping in \\$25 today?](#)

If you've saved your payment information with ActBlue Express, your donation will go through immediately:

We are not taking any deadline for granted. Because each day of these next 38, 19, or 4 days is an opportunity to expose Dan Bishop's extremism and restore North Carolinians' values in Congress. **That's why we need grassroots support to keep going.** [Help us make the most of these next three days and close our \\$3,923 funding gap before midnight September 30.](#)

Thank you for all that you do,

Robert West, III
