Hi, I am participating in the UNCC Fall 2020 Cohort with Kim Evans. The Venture Launch NC IDEA Program is designed to succeed at the most critical phase of commercializing an innovation-the opportunity assessment-through customer discovery.

We are excited to be a part of the research development team and would appreciate it if you can answer a few questions for us. Typically there will be 1-3 questions and should only take 10-15 minutes. Please respond here <https://calendly.com/yourgirlprez/30> if you are able to participate.

Thank you in advance.
