Hello Steve,

Sorry to email you so late, but I wouldn't do it if this election wasn't so consequential for our nation. We have just a few hours left before our final public filing deadline, and I still need your help. I know you've heard this a lot from my team, but our campaign really runs on grassroots supporters like you -- people chipping in whatever they can afford. **[And with just a few hours until our most-critical FEC reporting deadline, I need to ask you one last time to donate any amount to help us meet our goal.](#)**

When this finance report goes public, it's going to be the most-watched yet. Our numbers will reflect the strength of our people-driven campaign. We have to beat Dan Bishop and restore rational and compassionate leadership for the Ninth District. It represents the working families, teachers, small business owners, and everyone who reflects our community who is tired of the representation we have now.

Surpassing our grassroots donor target by midnight tonight is absolutely critical to show that our district is ready for rational and compassionate leadership. With just a few hours to go, we still need to raise \$314.

Your donation will make a huge difference. Please chip in what you can here:

Warm regards,

Cynthia
