{FirstName or 'Friend'}},

Our race just got an upgrade! *FiveThirtyEight* just showed that the latest polling in NC-09 has Cynthia up by four points!

With just 28 days from the election, this is a huge boost to our campaign. Our people-powered campaign has moved this race from The Cook Political Report's "Likely R" rating to now pulling ahead. And it's supporters like you that are going to make sure Cynthia gets the job done and turns this seat blue.

The momentum is on our side, and we can't slow down now. We know that Dan Bishop and the GOP will have tricks up their sleeves to try and steal this seat (again). We have to keep up our strong grassroots movement to shut them out and let them know this race can't be bought.

[We can beat Dan Bishop, but we cannot bring leadership change to NC-09 without grassroots supporters like you. Can you chip in \\$25 or more today to keep up our momentum and send Cynthia to Washington?](#)
