CYNTHIA
WALLACE
FOR CONGRESS

{FirstName or 'Team'}},

Did you see the big news? **Senator Elizabeth Warren has endorsed Cynthia for Congress!** Senator Warren knows Cynthia understands the challenges that working families face and that Cynthia will work hard to ensure that North Carolinians have fair wages and access to affordable health care and quality education.

We need you to stand with Cynthia, too. The fight to flip NC-09 blue is going to be tough because we know that Dan Bishop and his special interest cronies are going to do everything they can to hold on to this stolen seat. [But their dark money dollars don't stand a chance against our people-powered movement. So join Sen. Warren and pitch in \\$10 today and stand with Cynthia.](#)
