CYNTHIA WALLACE FOR CONGRESS

Steve,

UPDATE: Our first mailpiece is arriving in NC-09 voters' mailboxes TODAY!

CYNTHIA WALLACE FOR CONGRESS PUTTING PEOPLE FIRST

Born in rural Georgia, and the granddaughter of farmers, Cynthia grew up with small-town values and learned to help her neighbors. She worked hard to pay her way through school, and she built a 25-year career strengthening accountability for businesses.

Now, Cynthia is running for Congress to take on corporations and fight back against the special interests that have prevented progress for too long.

- Cynthia will fight to rebuild our economy and bring jobs back to the region by providing local businesses with the support they need.
- Cynthia will invest in our public education system to strengthen our schools and expand opportunities for students by equipping them with the tools they need to succeed.
- Cynthia will work to drive down health care costs by lowering the price of prescription drugs and protecting individuals with pre-existing conditions.
- Cynthia will take on big corporations and special interests and work to root out corruption so that government is accountable to the people again.

VOTE CYNTHIA WALLACE FOR CONGRESS BY TUESDAY, NOVEMBER 3

Mailpieces like this are one of the best ways for us to get our message out to the voters we need to win. We need your help to make sure we can keep our communications going and hit our final FEC reporting deadline TONIGHT!

We still need \$2,284 before midnight October 14 to hit our goal. Can you chip in \$10 today to close our gap and ensure Cynthia stays on the path to victory towards November?

If you've saved your payment information with ActBlue Express, your donation will go through immediately:
