Steve -- I want to tell you about what I think the American People deserve from their U.S. Senator. But before I do, will you give \$10 to help my grassroots campaign?

Chip in \$10 immediately →

I've been getting to know the hard working people of South Carolina and what they care about most.

People are worried about not being able to afford health care. Others want better schools for their children. And some people just want clean water again.

Folks, I hear you.

As a Senator, I will work day and night to empower and represent ordinary people like you, not ultra-rich donors.

But I can't get to the Senate without you, Steve. So I'm humbly asking: Will you give \$10 today so I can serve you in the Senate?

I remember a time when a Senator's first loyalty was to their constituents.

When my mom couldn't find work and didn't know where to turn, she knew Senator Thurmond and Senator Hollings could point her in the right direction.

Strom was a Republican and Fritz was a Democrat but that didn't matter -- helping people in need was just what you were supposed to do.

D.C. is broken right now because "leaders" like Lindsey Graham are more focused on helping Trump with his golf swing than helping their constituents.

I want to replace Graham in the Senate because South Carolina deserves a leader who fights for the people, not for the president.

If you want a leader you can trust to always put the people first, I hope you'll chip in \$10 to my Democratic campaign. If we all work together, we can bring new leadership to Washington →

I'm so grateful for your support in my campaign for U.S. Senate. Together, we'll bring hope back to the people Lindsey Graham has left behind.

Steve, this year is our best chance EVER to beat Lindsey Graham and bring new leadership to the Senate. Here's why:

ONE: From Doug Jones in Alabama to Joe Cunningham right here in South Carolina, voters across the South have shown they are ready for change.

TWO: Lindsey Graham isn't who he used to be. He's abandoned his principles to focus on pleasing President Trump.

THREE: There are thousands of swing voters in South Carolina. *We need to spread my message and get these folks fired up to vote in November!*

But I can't do it without you. Will you chip in to help me DEFEAT Lindsey Graham?
