The Pilot: Wallace Best for Congress

Steve,

Moore County's newspaper, *The Pilot*, has officially endorsed Cynthia to be NC-09's next Congresswoman!

They agree that it's time for rational leadership in Congress, not the radical ranting that Dan Bishop delivers. This second endorsement from publications within the district proves that we have the momentum to carry us to victory on Election Day. [Will you chip in \\$15 ASAP so we can ensure every voter in Moore County knows that Cynthia is the best candidate in this race? We only have 14 days left, and early voting is underway.](#)

We couldn't agree more with what *The Pilot* had to say about Cynthia: :

"Wallace's approach is more reasoned. And while she brims with conviction, it doesn't spill over into unbridled passion that can lead to principles but untenable positions. And she's committed to representing the district fully."

Cynthia will bring her upbringing in rural Georgia and years working in the counties of the 9th Congressional District to bridge the rural-urban divide in NC-09 so that everyone has the opportunity to succeed. ***The Pilot* knows that Cynthia is the only candidate who can get the job done and address the needs of the district.**

[But we only have 14 days left to get Cynthia to Congress, and we need to make sure voters know that Cynthia is the candidate who has their backs. Chip in \\$15 right now, so Cynthia can bring rational and compassionate leadership to Washington.](#)

Let's go,

Team Wallace
