Steve,

All eyes are on North Carolina for these final 12 days of the race. From the White House to Congress, we know we'll be fighting until the polls close on November 3 to flip the state blue and expand the House Majority.

We can do this, but it's going to take every corner of our state to make a blue North Carolina possible.

**That's why Kathy Manning (NC-06), Pat Timmons-Goodson (NC-08), Deborah Ross (NC-02), and I are working together to get the job done and flip this state blue. [Will you join us? Chip in today, and your donation will be split between me, Pat, Deborah, and Kathy so we can flip our districts.](#)**

There's a reason why people call us the "Fab 4." It's because North Carolina has never had so many strong women candidates in our most competitive congressional districts. The 9th, 8th, 6th, and 2nd Districts are the most-watched races in our state. And when we get to Congress, more women will be representing North Carolina than ever before.

All four of us can move the needle for North Carolina, flip our seats and our state blue, and make history in the process. **But we can't do it alone. We have to work together in these final 12 days of the election, and we need you to join us.**

**[Join the Fab 4's mission of flipping North Carolina blue and making history by splitting a donation today between all four of our campaigns.](#)**

Thanks for your help,

Cynthia
