We understand that now is a difficult time for our country and that it may be a difficult time for you personally. Steve, if you were stranded on a deserted island, what would you bring with you? If you could pick a superpower what would it be? What's the one thing you would fix in this world if you could wave a wand and make it happen?

These are the types of questions I'd routinely ask my friend, Jaime Harrison, in the dining hall of our dorm. I wish you could have heard his answers because they played a big part in my knowing that this guy is special -- that he is deeply committed to helping people.

Me and Jaime Harrison go way back. I am lucky to call him a friend. While many things have changed since we met at Yale many years ago, Jaime hasn't.

He didn't grow up with much but was determined not to let that slow him down. He worked hard, became the first person in his family to graduate college, and self-started his career.

Jaime has a heart of gold with morals to match. And he's the kind of leader we need in the Senate.

But unfortunately, Republican Super PACs are pouring money into South Carolina and trying to turn voters against Jaime.

That's why I set a goal to raise \$20,000 for Jaime before midnight to help him fight back. [Will you chip in \\$10 or \\$25 to our Democratic campaigns?](#)

Steve, we have a chance right now to beat Lindsey Graham, who has been aligned with Donald Trump at every turn, and flip the Senate blue. That will take all of us coming together and pitching in to help Jaime right now.

I'm glad that the good people of South Carolina are learning about who Jaime really is, and why he'll always fight for them.

But the polls show this is anybody's race, and Mitch McConnell's allies are spending **MILLIONS** of dollars to crush Jaime's campaign.

Jaime needs your help to fight back, defeat Lindsey Graham, and join me in the U.S. Senate.

I'm so grateful for your support in my campaign for U.S. Senate. Together, we'll bring hope back to the people Lindsey Graham has left behind.

Steve, this year is our best chance EVER to beat Lindsey Graham and bring new leadership to the Senate. Here's why:

ONE: From Doug Jones in Alabama to Joe Cunningham right here in South Carolina, voters across the South have shown they are ready for change.

TWO: Lindsey Graham isn't who he used to be. He's abandoned his principles to focus on pleasing President Trump.

THREE: There are thousands of swing voters in South Carolina. *We need to spread my message and get these folks fired up to vote in November!*

But I can't do it without you. Will you chip in to help me DEFEAT Lindsey Graham?
