Steve,

This is it.

We are one week away from Election Day, and attention is turned towards our race.

After a full week of early voting, over 3 million ballots have been cast across North Carolina. And now, *Raleigh News & Observer* stated that the "shifting sands could make this race close" as NC-09 demands a more level-headed leader in Congress.

For North Carolinians, early voting ends Saturday, and everything we do between now and November 3rd is laser-focused on turning out as many voters as possible in one of the biggest battleground states of the year.

[We only have seven days left to flip the 9th blue, so there's no time to waste. Chip in \\$15 right now, so Cynthia can bring rational and compassionate leadership to Congress.](#)
