Dark money in NC-09

Update (via Team Wallace) [info@cynthiawallaceforcongress.com]

To: [Steve Johnston](#)

Steve, with just five days left of the campaign, a super PAC has released an attack ad against Cynthia. [We need to respond quickly. Can you chip in right now to our rapid response fund? With the election so close, we can't afford to let this attack ad slide.](#)

We knew this was coming. After *The Cook Political Report* upgraded our race twice to "Lean Republican," we knew that Dan Bishop would be running to his dark money friends to try and stop Cynthia.

The attacks? Completely unfounded. They know that NC-09 is tired of right-wing extremism in Congress and is ready for leadership like Cynthia's, who will put the needs of the district before special interests.

[There are only FIVE days left until Election Day, and we need to make sure every single voter in NC-09 doesn't fall for Dan Bishop and his dark money buddies' lies. Chip in \\$5, \\$10, \\$15 or whatever you can do right now to fuel our rapid response fund.](#)
