We're about to go dark

Steve,

This is not a drill. Early voting in North Carolina ends tomorrow at 3:00 p.m., and our TV ads are about to go off-air.

We can't let this happen, not when dark money groups have released attack ads against Cynthia. We need to raise another \$4,123 in order to stay up on cable until every ballot is cast. [Can you help us keep our ads running through Election Day by chipping in whatever you can right now? Every dollar helps.](#)

Recent polling from Public Policy Polling has shown that Cynthia is behind Dan Bishop by just **two points**. Keeping our ads running between now and Election Day is critical so we can take back this stolen congressional seat.

The only way Cynthia's message has gotten out in front of so many voters already is because of our strong grassroots movement, and we know having folks like you chipping in whatever they can will help us refuel our TV budget. [So help us close our \\$4,123 gap and chip in right now to keep our ad live through Election Day.](#)

CHIP IN & KEEP CYNTHIA'S ADS
 RUNNING >>

Thanks!
