EPISODE 26: VOTING IN AMERICA - 2020 AND BEYOND
with guest: Kristen Clarke

As Americans go to the polls for what will likely be one of the most contentious elections in history, we sat down to discuss the many issues putting stress on America’s voting infrastructure. What are the most pressing issues we’re facing? Is America prepared for this moment? Who’s at risk of losing their right to vote? What’s the long term agenda for securing voting rights for all eligible Americans? On Episode 26 of “The Future of Democracy,” we unpack these questions and work to understand how the face of voting in America may change.

Guest
Kristen Clarke, president and executive director,
Lawyers’ Committee for Civil Rights Under Law

Host
Sam Gill, SVP/Chief Program Officer, Knight Foundation
