Steve,

We wanted to make sure you saw this:

North Carolinians, who are voting-by-mail, *will* have their votes counted up to 9 days after Election Day, so long as it is postmarked by November 3. We need to ensure that every outstanding ballot gets in on-time to be counted. You can also return your ballot to your county's Board of Elections Office. **Your support yesterday with keeping voters energized to vote early was a huge help, but now we need to shift gears quickly to make sure every vote in NC-09 gets counted.**

We have to raise another \$2,000 before Tuesday to keep our phone banking and peer-to-peer texting operations running. **Can Cynthia count on you to help her get to the finish line and get out the vote? [Chip in \\$5 or whatever you can do today to refuel our voter outreach program and ensure every mail-in ballot is returned.](#)**

*If you've saved your payment information with ActBlue Express, your donation will go through immediately:*
