We set a big goal: to raise \$10,000 in a single day to provide 13 male educators of color with a year of 1:1 coaching and mentorship, and we can't achieve it without you.

Each year on GivingTuesday, nonprofit organizations rally their supporters for a day of maximum impact. Following the retail events of Black Friday, Small Business Saturday, and Cyber Monday, GivingTuesday provides an opportunity for people around the world to support what matters most to them and share that support with their social media networks.

Please consider joining the charge to reach our transformative goal on December 1. And, since GivingTuesday relies on the limitless potential of social media, don't forget to share, tag us, and use the hashtag #GivingTuesday, #PGeducator, and #GivingTuesdayCLT .

Busy that day? You also can make a gift now to be processed on GivingTuesday.

GivingTuesday and
every single day you
help to enable our
mission.**
