"I'm excited to join the conversation on Wednesday. My top local infrastructure priority in the 117th Congress is making a comprehensive transit system a reality for everyone in Mecklenburg County," **said Congresswoman Adams.** "Charlotte's future is in reach, so it's up to all of us to work together to make sure future development is equitable, sustainable, and creates opportunity and investment across our community."

- **Additionally, the Office of Congresswoman Alma S. Adams, Ph.D. will host a [Holiday Resource Fair](#) at 6 PM on Thursday, December 3. The event is free, virtual, and open to the public. [Registration is available here.](#)**

"December is a critical time for our community. COVID-19 relief benefits are running out, and more of our neighbors are facing housing insecurity as temperatures plummet," **said Congresswoman Adams.** "My office is committed to connecting our community to critical resources in this time of great need. No family should be left out in the cold this holiday season."
