A Holiday Wish from Partners for Parks

This year is one we're all quite ready to have behind us. With so many challenges, obstacles, and circumstances, it's no surprise most of us are anticipating the opportunity to start anew with the optimism that comes with a fresh calendar. We are more grateful than ever for the respite parks and green space provide, and the

partnerships that help make it so. We hope you'll take just a minute to reflect on the restorative power of parks and our Holiday Wishes for you.

Walking the Walk

Or in this case... running it! The team at the Around the Crown events are everyday examples of a partnership at work. Since their inaugural Around the Crown 10k last year, they've promoted community-wide physical activity, and awareness, participation, and donations to Partners for Parks and groups that advocate for access to the outdoors. Click here to see how this year's "crowning" event was a successful twist on achieving those goals. <https://partnersforparks.org/atc10k-wrap/>
