Rep. Alma Adams Calls on VP Pence to Invoke the 25th Amendment and Remove Donald Trump

Washington, D.C. – Today, **Congresswoman Alma Adams (NC-12)** released the following statement:

“After one of the most tragic days in Congressional history, it is clear yet again that Donald Trump is unfit to serve as President and should be removed immediately,” **said Adams.** “However, it is important to stress that there are different levels of incompetence, madness, and evil; no matter which of these qualities inspired President Trump to fan the flames of an attack on Congress, it is clear that Donald Trump has reached a more dangerous low point than ever before.”

“Last night, many of my Republican colleagues reversed course and abandoned this perfidious Administration. I will not cast doubt on the sincerity of their words; however, I will urge sincerity in their actions. I ask them to join me in calling on Vice President Pence and the Cabinet to invoke the 25th Amendment and remove this cancer from the White House immediately.”
