Good Afternoon,

I am emailing you to ask that it be announced at your next meeting that we have launched our first ever Virtual Open House as well as the other ways that community members can view and comment on the draft plan.

The Virtual Open House is an interactive virtual experience where participants can view and comment on plan content.

The experience will be available in over 100 Languages and will be accessible to the public 24/7.

SPREAD THE WORD WITH OUR AMBASSADOR TOOLKIT

This kit was designed for community members and ambassadors, to help spread the word about the Draft Comprehensive Plan, so we can get as many Charlotteans involved in the process as possible.

Use the link below access a variety of materials, ready-made to post on Facebook, Instagram, Twitter, and NextDoor, or to print at home, send in an email, or include in a newsletter.

Each of the folders includes all the images and text you will need, as well as some tips and tricks to optimize your post.

Now, you can use your voice to help us promote the Plan, so that we can hear from your community!
