Knight invested \$15.3M in Florida International Univ., Univ. of Miami and Baptist Health to expand Miami's tech talent and boost innovation.

City Bureau will use Knight's \$1.5M investment to expand its Documenters network as a new model for public service journalism.

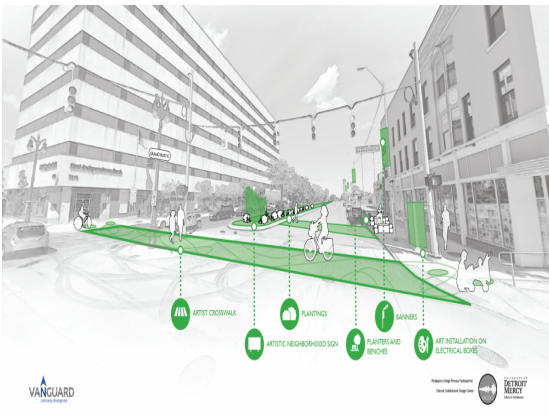

Beginning on March 1, we're inviting qualified newsrooms to apply for an initiative to create publishing solutions for sustainability.

The Knight-supported Underline opened Brickell Backyard, the first half-mile phase of the future 10-mile linear park in Miami.

We've committed \$2M to re-imagine Detroit's Historic North End and build a community oriented library.

We announced the 2021 Knight Arts + Tech Fellowship recipients — five artists using tech and new media to create.
