Charlotte Flights Propels Student-Athlete to Dream School

We love seeing a young person find success; whether it's in the classroom, on the athletic field, on the stage, or wherever they make their mark. But very few success stories are solo efforts. Charlotte Flights Track and Field Club has mentored hundreds of student athletes since 1991; many of whom went on to run collegiately. Partners for Parks is a proud sponsor of the program. Sign Up Now for Summer Fun

The weather's hardly crept into the 70's, and the school year has been nothing but out-of-the-ordinary. But soon it will be summer, with it's longer days and time to learn, explore, and more! Mecklenburg County Park and Recreation produces some of the most enriching and accessible summer programming around. Something Magical in the Park

The Mecklenburg County Park and Recreation Fairy House Festival looked a little different in 2021. Public gathering restrictions may have altered where and how we were able to participate, it certainly didn't dampen the enthusiasm or the creativity in this outdoor architectural opportunity. Click to take a look at some of the socially distanced but inspired creations from this year's virtual event. <https://partnersforparks.org/fairy-house/>
