Vaccine Event\_ULCC & Atrium 3 20 2021 .pdf (~81 KB) Vaccine Event Community Ambassador Flyer.pdf (~90 KB)

Hello Steve & Yolanda,

I would appreciate you sharing the vaccine information below in the upcoming TMBF newsletter. Thanks!

Hello Supporters of the Urban League Movement,

The Urban League of Central Carolinas (ULCC) has partnered with Atrium Health to co-host vaccination events in Charlotte to ensure equity in access to COVID-19 vaccines in underserved communities. Our first COVID-19 vaccination event will be held on Saturday, March 20<sup>th</sup> from 8 am – 4 pm, Eastland Mall parking lot, 5301 Central Avenue, Charlotte. This is a drive-thru vaccine event (vaccines will be administered to people in their vehicles). PLEASE WEAR A MASK.

We're offering the COVID-19 vaccines to the appropriate groups (see the attached flyer). Are appointments required? Yes! To sign up please copy and paste the link below into your browser. It will take you to a page on Sign-up Genius. Then, click on a desired time slot for your appointment. An appointment for your second dose will be given to you when you get your first vaccine on March 20<sup>th</sup>. PLEASE WEAR A MASK.

We are also in need of energetic and passionate people to become Community Vaccine Ambassadors. Ambassador volunteers will engage virtually with their community networks of family, friends, coworkers and organizations. They will inform their networks about the vaccine and encourage community members to get vaccinated. We are looking for people who will:

- Be passionate about getting the vaccine, and encourage others to get vaccinated.
- Learn more about the vaccine and share info virtually with others.
- Give helpful feedback to Atrium Health to make our process and information better.
- Attend an online education session and dedicate an average of 1 to 3 hours each week to serving as an ambassador.

To sign up today, send an email to [CommunityBenefit@AtriumHealth.org](mailto:CommunityBenefit@AtriumHealth.org) and include "Community Vaccine Ambassador Program" in the subject line.

Please spread the word!

Thanks,

**John F. Ham**
