CHARLOTTE VETERAN NONPROFIT AND NATIONAL LEGISLATIVE ORGANIZATION PARTNER FOR EMPLOYMENT

March 31,2021-(Charlotte, NC) 2020 has been rough for many companies and individuals looking for employment. The pandemic has caused many businesses to lay off employees and as a result they are seeking employment opportunities.

We have partnered together to provide a solution, with an on-the-spot hiring fair which will include employers, networking and food. This event will take place on June 11-12, 2021 from 1pm-5pm both virtually and in person.

June 12 will take place at 2424 N. Davidson St. in the NoDa area of Charlotte, NC. Guests can participate virtually or in person for this impactful event. We are seeking small and large companies who have open positions to hire on the spot and educational resources for families.

This is also an opportunity for various educational resources, colleges, training and apprenticeship programs to attend. For those who are interested in seeking opportunity outside of traditional employment. This is also our response to the over 200+ employees who will be laid off from the before and after school enrichment programs in the Charlotte Mecklenburg School Systems.

Operation Education is a Cultural and Character development program for youth in grades K - 5. They offer age-appropriate activities, games and field trips that instruct our youth in the areas of culture and character development. www.teachamantofishfoundation.org

BLAC (Black Legislative American Caucus) is a national political organization with the mission to serve the community, support education, and families. www.actblac.org

Support Her B.O.O.T.S., is a local nonprofit veteran organization that has been assisting veterans, especially female veterans across the Carolinas since 2013. www.shb220.org

This event is free and open to the public and you can participate virtually or in person under current NC COVID-19 19 event guidelines. All attendees will complete this form www.bit.ly/shb4mask on the day of the event and will receive a temperature check.
