This Month's Styled by Stacey

Close your eyes. Can you see it? Lisa Frank. Crop tops. Flip phones. Jeans on jeans on jeans. The 90s are back... and we are here for it! This month's trend is all about DENIM.

Dig into April with Denim

The "mom jean" is back to raise the roof and the waistline. Skinny jeans had their moment ("as if!") and denim is coming back in some familiar and some edgy new ways.

Stacey's GW Looks

Check out these three stylish looks that wardrobe stylist and fashion insider, Stacey Michelle, pulled together after a shopping trip to the GW boutiques. The best part is, these looks and hundreds more like them, will be available to shop at both GW boutique locations—[South End at 3609 South Boulevard](#) and [Goodwill Opportunity Campus at 5301 Wilkinson Boulevard](#)—starting this Friday, April 2! Just look for the Styled by Stacey price tags to find items hand-selected by Stacey Michelle.

Denim Jeans

When you think of denim, you may think of jeans first. Stacey looks at the wash, the cut, and the brand when shopping for denim jeans. Low-rise, skinny legs had their time to shine, but high-waisted, button-fly, straight legs are back.

Consider a raw edge jean short or pants to pair with a graphic tee or a feminine crop top. Who would have guessed that your mom's old jeans would bring some edge to your 2021 outfits!? At Goodwill, you can find great jean brands at affordable prices, like Madewell, Levi's and more!

Denim Tops

Don't overlook tops when styling denim. Pieces like this oversized chambray shirt are perfect to add to white jean bottoms. Button it all the way up, or pair it with a chain necklace. Denim jackets with denim jeans are a classic look you can sport to any casual occasion.

Denim Skirts

Goodwill is the perfect place to find denim skirts that you can make your own. Stacey found this sweet embroidered, button-down skirt to pair with a classic striped top. Denim is a blank canvas—use it to express your style!
