Hello Steve,

Hope family and you had a great holiday weekend.

Could you put this in this week's Tuesday Morning Forum announcements?

You are invited to the dedication of the Edible Landscape and Fruit Tree Orchard on Saturday, April 10th at 9:00 am, Faith CME Church, 457 Wellingford Street, in the Hidden Valley area of Charlotte. A total of 145 edible fruit trees (75) and non-edible canopy trees (70) were planted in a collaborative community engagement style. Mecklenburg County Public Health (MCPH) department, through its Food Security team, partners with several community organizations to create the gardens and orchards (edible landscapes). Partners for the fourth installation included Faith CME, MCPH, Village HeartBEAT, Cooperative Extension, TreesCharlotte, Mecklenburg County Park & Recreation, Novant and The Males Place Inc.

Hope to see you Saturday, April 10, 2021 at 9:00 am.
