Spring Cleaning With Goodwill and Anne Steppe

Stop By Our Donation Drive Event

Goodwill Industries of the Southern Piedmont is partnering with Anne Steppe, a local home organizer, to host a **donation drive event on Saturday, April 17**. Come join us at the SouthPark Attended Donation Center (ADC) located at

[6231 Fairview Road](#) from 9 a.m. - 5 p.m. with your donations and you could be entered into our giveaway raffle!

Those who donate electronics will be entered into a drawing to win one of two giveaways: a \$50 gift card to the Container Store or a virtual home organization consultation with Anne Steppe valued at \$150! During this virtual consultation, Anne will provide suggestions, help the raffle winner come up with a plan for their project, and make product recommendations. Donors can enter the raffle all day during the event, but, if you wish to meet Anne Steppe in person, she will be at SouthPark ADC from 10 a.m - 12 p.m. Check out Anne and her team's amazing organizational work by visiting [@stepbysteppesolutions](#) on Instagram.

Anne's 3 Tips for Spring Organizing

Have a Plan

Know your goals for the space you're organizing and set about working through your strategy.

Block Off Time

Block off the appropriate amount of time it will take. If you are tackling your garage, plan for an all-day event! Also, be sure you have allotted time to get all your donations to Goodwill.

Be Prepared

Have help on hand, if needed, and the proper equipment like trash bags, bins, baskets, boxes, and cleaning supplies.

Consider Donating Electronics

Now is the perfect time to declutter, and that doesn't just mean your closet. Everyone has that random junk drawer of cords, chargers, and old electronics. So clear your house of that clutter and donate it to Goodwill! Drop off unwanted computers, headphones, cameras, phones, video games, children's educational toys, and more at any of [our retail stores](#) or any dedicated [Goodwill drop-off location](#).

Through our partnership with Dell Reconnect, we'll either refurbish your donated electronics to sell at our tech store, The GRID, or we'll make sure they're recycled responsibly. And if you have data security concerns, don't worry; we destroy any data left on hard drives. Click the button below to see our list of acceptable electronic donation items.
