Hello,

Join the Mayor's Mentoring Alliance (MMA) for our April installment of the Movement in Mentoring series that will explore the benefits of the great outdoors as a learning ground for the mentoring experience. Dr. Keith Cradle, Youth Services Director, outdoorsman, and art aficionado will serve as the facilitator for the event. He will offer insight from his experience working with court-involved youth and share information about his non-profit organization, [Camping with Cradle](#), which seeks to better connect youth with the benefits of the outdoors.
