CAROLINA YOUTH COALITION

WELLS FARGO  
CHAMPIONSHIP

BIRDIES  
FOR CHARLOTTE  
CHARITIES

**CYC is partnering with the Wells Fargo  
Championship's Birdies for Charities to provide gap  
scholarships  
through the SOS Scholarship Fund!**

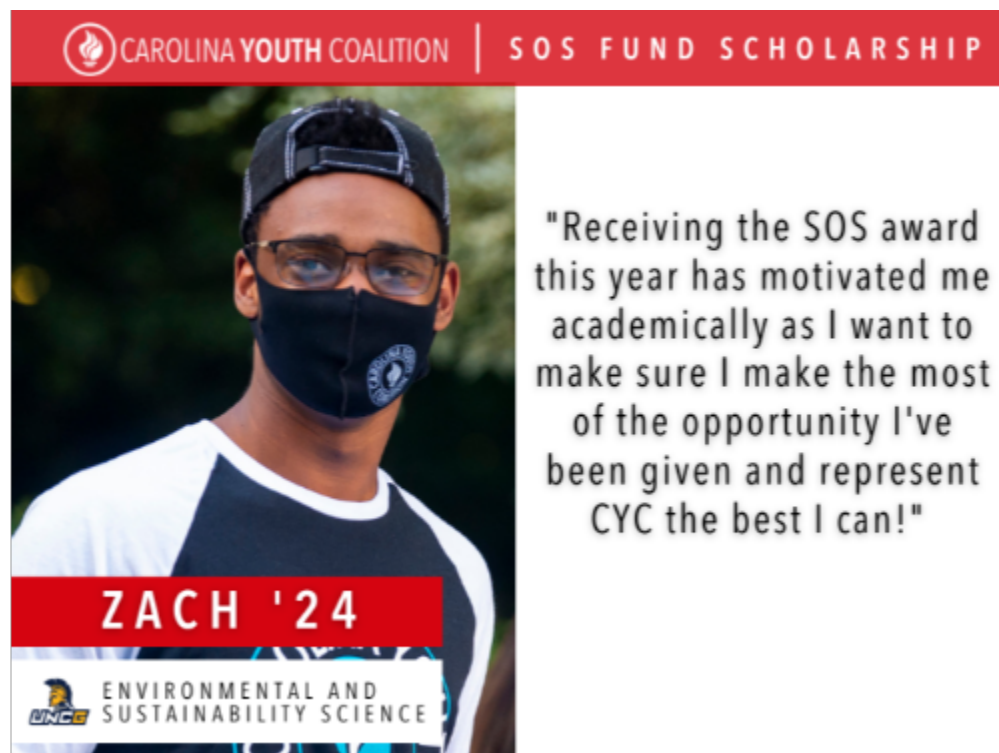

Birdies for Charities is a partnership between the Wells Fargo Championship and local nonprofit organizations. This program allows donors to pledge a donation to Carolina Youth Coalition based on the number of "birdies" made by PGA Tour pros during the 2021 Wells Fargo Championship on May 6-9. All money raised for CYC this year will support

gap scholarships for high-achieving, under-resourced students to attend college through the newly created [SOS Scholarship Fund](#) housed at Foundation for the Carolinas!

**Make a pledge of one cent or more for every "birdie" made during the tournament, and CYC Fellows will receive 100% of the amount pledged as a scholarship, as well as an additional 5% match from the Wells Fargo Championship!**

If 1,500 birdies are made during the 2021 event (in 2019, there were a total of 1,434 birdies made), here are the totals for some typical pledge amounts:

- 1 cent pledge = \$15 total pledge
- 3 cents pledge = \$45 total pledge
- 10 cents pledge = \$150 total pledge
- \$1.00 pledge = \$1,500 total pledge

**CYC welcomes Danielle Nisbet to Board of Directors!**

Danielle (Dany) Nisbet brings a wealth of industry sector experience including private equity, retail, manufacturing, education, non-profit, and healthcare. An attorney by trade, she has worked in executive search with Cameron Carmichael since 2007. Dany is a native of Columbia, SC, and is active in the community and local school system. She has served on the Children's Scholarship Fund Board, Myers Park Civic Commission, the Mint Museum Auxiliary, and has been a volunteer instructor with Patriots Path.

Dany is excited to join the board saying, "I am thrilled to join the CYC Board and look forward to being an active member of the organization. I see education as the biggest equalizer of socioeconomic inequality. The work CYC does can have a huge impact on the individual students, their families and the larger Charlotte community. I have already had the privilege of working with some of the students and have been impressed with the programs CYC offers. I am eager to learn more and work with such a dedicated leadership team."
