# 3 WAYS TO HELP THE EARTH WITH GOODWILL

## How You Can Be Sustainable with Goodwill

### Purchase Your Clothes from Goodwill

Did you know that it takes 1,800 gallons of water to grow enough cotton to make just one pair of jeans and 400 gallons to produce the cotton for a single t-shirt? Purchase clothes from a [Goodwill retail location](#) to reduce your

environmental impact and say "no" to fast fashion.

## Donate Your Gently Used Items to Goodwill

Goodwill is always looking for gently used items to recycle back into the community. Do you need to clear out your old furniture to make space for that new piece you just bought? Are you ditching skinny jeans and jumping on [the mom jeans trend](#)? Donate your gently used items to Goodwill to give them a chance at a second life, helping them stay out of landfills.

## Donate Your Electronics to Goodwill

Did you know that you can [donate your used electronics](#)—working or not?

Through our partnership with Dell Reconnect, Goodwill refurbishes your donated electronics to sell at our tech store, [The GRID](#), where the proceeds fund job training and employment services free of charge for people in our community.

If we can't sell your donation, Goodwill will recycle electronics responsibly, ensuring they don't end up in a landfill.

---

## Electronic Donation Drives

Donate your electronics at any of [our stores or donation centers](#) on any day or drop them off at one of these two upcoming events:

[Ballantyne Earth Day Event](#) is April 22 from 7 a.m. - 1 p.m.

[Celebrate Earth Day with Keep Gastonia Beautiful](#) is April 24 from 8 a.m. - 12 p.m.

---

## Changing Lives Through the Power of Work!

See how you can make an impact today!
