THE AMERICAN RESCUE PLAN

Rep. Adams Praises Biden's Child Tax Credit, Encourages Families to Make Sure they're Eligible

Families should file federal taxes on or before May 17 to be eligible for thousands of dollars from the Child Tax Credit

CHARLOTTE – Today, **Congresswoman Alma Adams (NC-12)** praised the expansion of the Child Tax Credit included in the ***American Rescue Plan Act*** and called on all 12th District families to file federal taxes on time to be eligible for the historic support for tens of thousands of children and families. **Adams** voted for the ***American Rescue Plan Act*** in order to provide urgent relief for American families.

“If you and your spouse have dependent children, it has never been more important to file your taxes on time and qualify for the expanded and improved Child Tax Credit,” **said Adams**. “The Child Tax Credit is an essential tool for eradicating poverty, and the average eligible household in our district will receive almost \$3,000. Poor, working, and middle class families who qualify for the program by filing taxes on time will receive \$250 per month per child, and \$300 per month

for every young child. This is essential, basic income that can be spent on housing, health care, food, child care, education, and other essentials. **Please make sure your children are included and eligible to receive benefits from the Child Tax Credit: file your taxes by next Monday!**"

The impact of the expanded Child Tax Credit in the 12th Congressional District is immense:

- **84.4% of children** in the 12th District will gain from the expanded and improved Child Tax Credit – 174,100 children.
- **The average benefit for 52,700 eligible households is \$2,900.**
- The expanded and improved Child Tax Credit lifts 15,000 children in NC-12 out of poverty.
- Because of the larger benefit for the youngest, **5,600 kids under the age of six are raised out of poverty.**
- Families with children in poverty will receive \$4,800 on average.
- **3,500 children in the 12th District will be lifted out of deep poverty.**

If you need additional assistance with filing your taxes, the Internal Revenue Service's Volunteer Income Tax Assistance (VITA) program offers free basic tax return preparation to qualified individuals who may need help in preparing their own tax returns:
