### IT Courses at Goodwill University

Learn valuable technological skills with Goodwill Industries of the Southern Piedmont's [free Information Technology training courses](#). Designed to help you launch your IT career, these classes will make you more marketable to hiring employers.

We're accepting applications for the following 12-week, virtual IT training courses:

1. [Business Analyst/QA Tester training course](#)
2. [SQL Server training course](#)
3. [CompTIA A+ training course](#)

## Assessment and Interview Process Required

These **IT training courses begin in August** with the **registration period open until Friday, June 11**. Since each course has a limited number of seats, there is an assessment and interview process that applicants must complete. More information about the assessment and interview will be made available to applicants after they begin the application process outlined below.

## How to Apply

Interested in taking one of these courses? Here's how you apply:

If you are already registered with Goodwill, make an [enrollment appointment](#).

If you are NOT already registered with Goodwill, start the registration process by completing our [intake form](#).

We hope to see you in August at one of our IT training courses!
