Meck "Rec n Roll" Takes the Park to the People

Did you know? Fewer than 40% of us here in Mecklenburg County live less than a 10-minute walk to a local park or public green space. Mecklenburg County Park and Recreation wants to fix that. And while opening a new park isn't something that can happen in an instant, Park and Recreation is behind the wheel — literally — of a new project to bring the park programming directly to the people. A "Wheelie" Cool Pop-Up in Cordelia Park

We're big believers in the power, freedom, and equity that bicycles can provide. Bikes can open up a world of opportunity for people, but only if they feel safe and confident riding them. But not everyone has access to a safe, fun location to build the bike riding prowess to comfortably use their bikes beyond the neighborhood. Read about a new pilot project with Mecklenburg County Public Health and the City's Bike Charlotte program that's working to build two-wheeled skills! <https://partnersforparks.org/pop-up-bike-park/>

Partners for Parks aims to improve the quality of life for the citizens of Mecklenburg County and the surrounding region by preserving, promoting and enhancing the parks, greenways, open spaces, active play and recreational opportunities within our community.
