Moving Day is Here!

Friendship Trays is moving in with Loaves & Fishes TODAY!

Our new address is:

648 Griffith Road, Charlotte, NC 28217

Volunteers will begin to pick up meals at our new location beginning Monday, July 12th.

Directions

When you turn into Fordham Park, come down the bottom of the hill where you will see the Loaves & Fishes trucks and warehouse dock doors. Take a right at the bottom of the hill and come around to the back side of the warehouse building. We transitioned to a drive-through pick up for the routes. There will be signage to direct you around to the drive-through pick up areas.

Pick up time is between 10:00-10:30 a.m.

For Tuesday/Thursday volunteers, please be aware that volunteers will also be lining up to pick up groceries for home deliveries on the dock side of the building. For Friendship Trays route drivers, you can bypass this line and come on around to the back side of the building.

We also ask that each volunteer please wear a mask.

If you need assistance, please call 704.333.9229.

Thank you for your continued support. We are grateful!
