Our election date is officially set. Due to the 2020 Census delays and the need to redistrict before holding our election, our election date was postponed and the primary will be held on Tuesday, March 8th. This puts us on the same ballot as races for the US Senate, US House, state legislature, county commissioners, and more. It will be more difficult and more expensive to draw attention to these very important local races, so we need your help. Please spread the word to your friends, family and neighbors encouraging them to #VoteLarken for one of the four at-large seats on the Charlotte City Council, and if you're able, please [help us](#) reach our fundraising goal (we are currently 60% of the way to our target for the campaign). Donations of any size will help us get there and thank you as always for your support.
