AMP America.org is a strong supporter of the All On The Line mission to end gerrymandering. We, therefore, encourage you to get involved in the redistricting process to make a difference in the movement for fair maps.

As a concerned American citizen, you owe it to yourself, your family, your friends, your community, and most important, the preservation of democracy.

THE ONCE A DECADE REDISTRICTING PROCESS

IS HAPPENING NOW...

- **JOIN THIS VALUABLE TRAINING** and get involved by making comments during this year's redistricting process. Explore how you can be empowered to:
 - TAKE ACTION to make your voice heard
 - Prepare to make effective written and verbal public comments
 - Craft comments that can actually shape the maps we get this year.

NOTE *The online comment portal will be open until Sept. 30. (See active link to portal below).*
