Mindful Mondays

Our certified yoga and mindfulness instructors have taken on the privilege of leading gentlemen in meditation every Monday at 7 AM & 10 AM EST. This helps Gentlemen find balance before beginning a busy week of teaching. [Join us](#) to center your morning, day, and week.

A New Membership Experience

To provide Gentlemen the best experience, manage data, and organize resources, we have launched our new membership portal, [The PG Box!](#) This platform will sever as our home for resources and more.

Celebrating Hispanic Heritage Month!

We're celebrating Hispanic Heritage Month! In celebration, we took the time to share the story of a few of our Gentlemen via Instagram. [Take a look.](#)

Back To School Tour & Recent Retreats

As the school year began, we made time to thank Gentlemen and visit some of our partner cities while holding retreats in person with respect to COVID-19 protocols. We've pulled off five Back To School "Dinners" for our gentlemen. As a result of the direct connections, our enrollment numbers are growing at an unbelievable pace.

Strategic Innovation

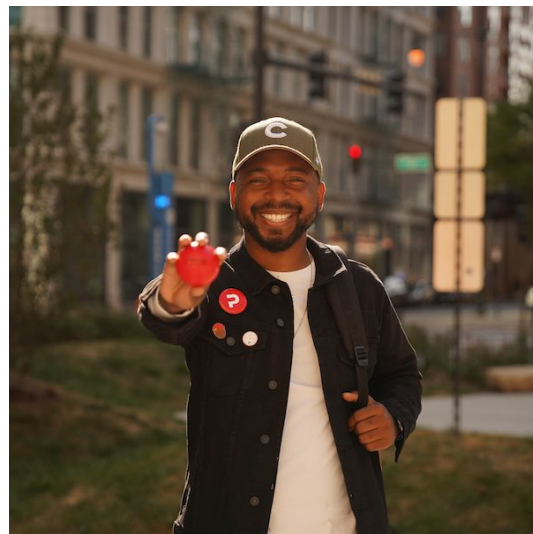

Growth of Partnerships

PG officially has more school partnerships than ever before! The team has been working with 4 returning partners, 5 new partners, and a few that are still in the works! New partners include Neighborhood House Charter in Boston, Edgecombe County Public Schools, and Union County Public Schools.

Why the team name change?

Our Partnership team has added a Special Projects department that is currently working very strategically as we prepare to roll out some exciting updates for our gentlemen.
