CMS Board electoral districts changing

Electoral map options will be presented during the October 12 Board meeting. The new maps reflect Mecklenburg County's populations growth and shifts as documented in the 2020 Census.

The Charlotte-Mecklenburg Board of Education invites you to participate in public information sessions about the maps proposed by the Board Redistricting Workgroup. Three virtual sessions will be held on Oct. 13, 19 and 21, 6 p.m. - 7:30 p.m.

This does NOT impact school attendance or student assignment boundaries. It is solely for rebalancing the Board member districts. The virtual town hall meetings will be livestreamed at facebook.com/cmsboe. You do not need a Facebook account to view these presentations.
