Hi there,

On behalf of President and Mrs. Obama, I want to say thank you again for everything you've helped us accomplish this year. And before today is through, I sincerely hope you'll consider supporting the Obama Foundation as we work to carry on the legacy of hope and action that the Obama Presidential Center represents.

It will be a place for visitors from all over the world to explore the

legacy of the Obama presidency. But more importantly, we want everyone who visits to be reminded of the power ordinary people hold when working together to create extraordinary change — and be inspired to step up and lead in their community, in their own way.

**Before Giving Tuesday comes to a close, please consider supporting the Obama Foundation and helping bring this extraordinary new space to life.**

President and Mrs. Obama have shown us all what ordinary people can do when they lead by example. We hope you'll join us.
