CAROLINA YOUTH COALITION

Join people all over the world by giving today!

#GivingTuesday is a movement that unleashes the power of radical generosity around the world. We believe that access to higher education can unleash the power within our youth to create lasting, generational change for themselves and their communities. That is why Carolina Youth Coalition works tirelessly to ensure that every single one of our Fellows has the resources, skills, and networks necessary to successfully enter, excel in, and graduate from college so they can realize their full potential. Today is the perfect opportunity to take action for our community and our youth!

Three ways you can make an impact and support our work:

MENTOR a CYC Fellow!

We need 30 more mentors to reach our goal of 50 mentors by December 31!

Are you a college-educated professional that is passionate about educational opportunity and working with youth?

"What I really enjoyed is the joy that you see when the mentees get into college. Helping them accomplish their dreams and what they aspire to do is a really rewarding experience."
- Steve Boland, two-time CYC Mentor and founding YP Board Member (left)

"Having Steve as my mentor was honestly a weight lifted off my chest. The college application process is stressful and to be honest, I didn't know how I would even get through it or plan it out. With the support of both Steve and CYC in general I was able to achieve my goals and get to where I am today!" - Jacob Desalegn, CYC College Fellow, UNC Chapel Hill '25 (right)
