Hello and Happy December!

I am Danyae Thomas, Partnerships and Engagement Director at The Urban League of Central Carolinas.

Since 1978, The Urban League of Central Carolinas has advocated for and equipped both African-Americans and all underserved communities with the tools to achieve social and economic equality. For the last six months we have incorporated several new initiatives that further this mission while strengthening our vision. We are continuing to grow and would like to invite you to three events that will assist us in building sustainable and meaningful partnerships that keep us connected to community.

On Tuesday, December 14, 2021 from 6pm- 8pm at The Urban League of the Central Carolinas we will host our monthly League Opportunity Coalition (LOC) meeting. This meeting calls to important stakeholders like you and your organization who are mission focused and service driven. We will discuss how to deepen our relationships within the community and those we serve by growing mutually beneficial partnerships in industry, education, direct service, neighborhoods, non-profits and faith-based organizations. Dinner will be served.

On Wednesday, December 15, 2021 from 1pm-3pm at The Urban League of Central Carolinas and 6pm-7pm virtual will be our Connect to Community event. This meeting is geared toward our partners in education that serve students in middle school, high school and college or those who are career ready.

Finally, on Thursday, December 16, 2021 from 6pm-8p we will host our Holiday Soiree'. We invite partners, community leaders and community members to join us in giving. We are collecting gift cards (\$25 or \$50), new blankets, socks, coats and sleeping bags to be distributed Saturday, December 18th at our Winter Wonderland Community Event. The impact of your donation allows us to support families facing housing insecurities/homelessness.

Attached, please find the invites and/or flyer for all three events. Please also RSVP by December 13, 2021. We would love to see you at one (or all 😊) events as we continue to empower the community and change lives.
