Greetings from the Charlotte Regional Transportation Planning Organization (CRTPO)!

The flyer features the 2050 Metropolitan Transportation Plan logo on the left. The main heading reads "Host A 2050 MTP Presentation!". Below this, a paragraph explains that the MTP sets goals and objectives through 2050 and that the CRTPO is developing the document. It invites organizations to host a presentation and provides the contact email Judy.DellertOKeef@charlottenc.gov. The bottom section includes social media links for 2050mtp.org, [facebook.com/crtpo](https://www.facebook.com/crtpo), and [@CLTRegionalTPO](https://twitter.com/CLTRegionalTPO), along with the CRTPO logo and website www.crtpo.org. The background is green and includes icons for a laptop with a video call, a bus, a target, a thumbs up, a bicycle, and a coffee cup.

CRTPO is the Metropolitan Planning Organization (MPO) for the Charlotte urbanized area which is a federal designation for urbanized areas with a population over 50,000.

We have shared information with you about the [2050 Metropolitan Transportation Plan](#) (2050 MTP) development since fall of 2020. The 2050 MTP is now nearly complete and we would like the opportunity to share an update with your organization, virtually or in-person. The 2050 MTP identifies the approved transportation projects to be prioritized for implemented between now and 2050 in Iredell, Mecklenburg, and Union counties.

If your organization would be interested in a brief presentation please let me know. Requests for a presentation can be emailed to me directly at Judy.DellertOKeef@charlottenc.gov. Please share the attached flyer with others. It can also be posted on NextDoor, social accounts, and your webpages.

Thank you for your continued partnership with us on this important plan development. I look forward to hearing from you and sharing more with you and your organization. Please let me know if you have any questions.

Thank you,
