Dear Steve,

2021 was another hard year as the impact of COVID-19 was felt in all industries and sectors, including slowing down manufacturing supply chains, "The Great Resignation," and unfinished learning in schools. The economic, social, and mental toll on us all has been a lot to wrestle with over the past year.

We know it's a tough time for all, but especially for the formerly incarcerated, many who experienced barriers to economic stability, including access to housing, healthcare, education, and even experiencing a 27% unemployment rate before the pandemic!

This holiday season we're asking you to Unite for Second Chances with CCT by making a **tax-deductible donation of \$25, \$50, \$100, \$250** or more so that we can continue to provide individuals and families affected by incarceration with programming and services that strengthen their opportunities for a second

chance.

Your donation will directly help CCT provide:

- **Job training** for formerly incarcerated people
- **Academic support** for children with an incarcerated parent
- **Transition support** for currently incarcerated women

Thank you for your past support and current consideration to [Unite for Second Chances](#).

We wish you good health and peace this holiday season, into 2022 and beyond.

Donate to CCT Today!

Sincerely,

Patrice Funderburg
Executive Director
