Happy Holidays!

Happy holidays from the Read Charlotte team! As 2021 draws to a close, we want to thank our partners and community for the continued support. Throughout another difficult year, it's been incredibly rewarding to see the great work that happens when the community aligns around a common goal. We're looking forward to 2022!

READING CHECKUPS AT BCDI EVENT

Community partners, families connect at early literacy event

Local families completed Reading Checkups this month at a community event hosted by the Black Child Development Institute Charlotte at Movement School in east Charlotte.

In addition to learning how to get individual reading plans for their children, families received literacy kits and culturally relevant books at the event, which was held in partnership with Movement School and Johnson C. Smith University.

To learn more about BCDI, visit [their website](#), and watch the video below for more from this great event!

Watch to see community partners in action, working to support early literacy for children in Mecklenburg County.
