 Flyer - Worker Health & Safety Training.pdf (~132 KB)

Hello Steve,

I want to make you aware of a new training opportunity TWIN will be offering throughout 2022. Attached is a flyer regarding a 2-hour workshop on Infectious Disease Prevention & Control. If you think this is something your staff/employees could benefit from, we will be happy to do an in-person or virtual workshop for you (at no cost to you, as the training cost is covered by a grant from OSHA).

We will be providing the training through 2022. As you plan 2022 training events for your staff/employees, please keep this opportunity in mind. Just let me know if you would like to schedule a workshop and we will make it happen!

**Please share this information with the Tuesday Morning Breakfast Forum participants?**

I can be reached at (814) 873 - 6545. I look forward to working with you this year!

Living Life Healthy and Well,

Sabrina Kuroda, MEd
