CIA 2022: Welcome to Wonder! March 11-12th.

With a focus on social-emotional learning & wellbeing, CIA challenges Gentlemen to wonder and look internally for growth & joy.

Impact

PG & UNC Charlotte

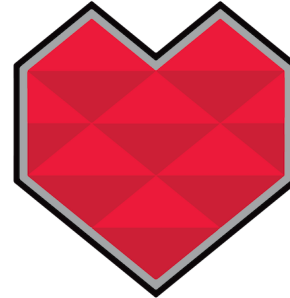

Profound Gentlemen partnered with UNC Charlotte to launch Profound Niners, a student organization or Preservice Impact Community (PIC) that begins as a semester-long internship where students gain exposure to K-12 education under the mentorship of male educators of color within PG. We just completed our inaugural cohort of interns and 100% of students who completed the

internship are committed to entering the field of education and maintaining their membership with PG.

The Wonder Room

Apparel

Last quarter we launched the PG Wonder Room, our official apparel store. The store focuses on mindfulness apparel is centered on male educators of color in mind. Share with educators and supporters of PG. [Shop here](#).
