Dear Steve,

I am pleased to share with you The Center for Community Transitions (CCT) very first interactive [FY21 Annual Report!](#)

While COVID-19 continued to present challenges during FY21, we remained focused on strengthening second chances in our community by equipping people and families with the necessary resources and tools to find and keep stable employment, improve family relationships and transition back into the community.

Individuals who've been incarcerated and the justice-involved should be given the opportunity to fully reintegrate into society—and for almost fifty years, that's where CCT comes in.

We hope you enjoy our report and we look forward to your support in the year ahead as we build people, not prisons in Charlotte.

Sincerely,

Patrice Funderburg
Executive Director
